

Summer 2018 Staff Positions West Branch, MI

What is YMCA Camp Timbers?

YMCA Camp Timbers is a 300-acre summer camp located near West Branch, Michigan. Owned by the YMCA of Saginaw, Camp Timbers specializes in day, overnight, and trip camps for campers ages 7-17 years old from throughout the Great Lakes Bay Region. In 2017, we had 730 campers join us in June and July, averaging approximately 120 campers per week. For every camper, we strive to offer remarkable **experiences**, quality **connections**, and meaningful **growth** while fostering the values of **caring, honesty, respect, and responsibility**.

How do Staff Describe Camp?

It's often the most challenging job they'll have and also the most rewarding. Most of our staff eat, sleep, and work amongst campers nearly around the clock for week-long sessions. In this time, they become role models and heroes to their campers. They create meaningful memories for campers and themselves, form lifelong friendships with each other, and find that camp becomes a "home away from home."

Why Choose Camp Timbers?

Many of us are looking for opportunities to have a meaningful impact – to put our time, energy, and talents to work making positive change for others. Camp Timbers offers this opportunity to staff. Large enough to have extensive program options (including ziplines, horses, archery, ropes courses, climbing tower, giant swing, and much more), it's also small enough that you can have a personal impact and legacy. Gain experience working with youth, spend the summer exploring and leading outdoors, and have the type of summer you'll always remember!

What are the Next Steps?

Browse the seasonal positions available for 2018 (on back). Explore our website. Talk with friends or family that have been to camp as campers or staff. If you're initially interested in Camp Timbers, let's have more conversation. Contact Brian Miller (camp director) at 989-753-7721, ext. 225 or BAMiller@SaginawYMCA.org with questions. To apply online, visit "Employment at Camp Timbers" at CampTimbers.org.
