## 2017 Annual Campaign Pledge Form

Saginaw faces new challenges that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our staff, volunteers and members to make a difference.

No other organization can impact as many people as powerfully as the Y does every day. With programs that tackle the achievement gap, help people make healthy choices for a lifetime, and provide opportunities to give back to Saginaw, the YMCA of Saginaw doesn't just strengthen individuals, we strengthen our community.

Contributions from the community are an essential part of our Annual Campaign. We hope you will join those who support the Y and its efforts in our community, but we understand that philanthropy, much like wellness, is a personal choice. Please know that if you decide to contribute, your gift—no matter the amount—will be greatly appreciated and will truly make a difference.

\_\_\_\_\_ Please designate my gift to the greatest need for fulfillment of the Saginaw YMCA's mission to welcome all children, families and seniors to our facility so they may receive the benefits of membership and our programmatic efforts, including those who may need financial assistance to do so.

I'd like my charitable contribute to go to this specific Y effort: \_\_\_\_\_
