### **OVER 300 YOUTH PARTICIPATING IN THIS LIFE CHANGING PROGRAM**

The YMCA is a charitable cause with a mission. We are here to strengthen community. We believe that all youth should be safe around water. We believe that all children deserve a summer camp experience. We believe that all youth and teens deserve nutritious meals, every day. We believe that all health seekers deserve access to programs and services that our YMCA can deliver.

**Invest in Youth.**

**Our ability to deliver life-sustaining support and life-enriching Y experiences is all because of you.**
