SUMMER OVERNIGHT CAMPS

CAMPTIMBERS.ORG

Greetings from YMCA Camp Timbers!

Thank you for considering a camp experience with us for your child. I am confident our Summer 2024 season will be one of our best yet and I am thrilled to be returning for my 9th year as the director and my 4th year as a parent of campers. I hope your family will find YMCA Camp Timbers to be as much of a “home away from home” for your kids as it is for mine.

Within this brochure, you will find details on our goals – **EXPERIENCE, CONNECT,** and **GROW** – and information to help you better understand all that camp has to offer your family this summer.

I believe all kids need a place like camp in their lives. A place for:

- Laughing and smiling with new friends
- Disconnecting from screens and reconnecting with each other
- Experiencing the fresh air, wonder, and adventure of nature
- Growing in confidence and self-esteem as they set and achieve goals
- Finding acceptance, self-worth, and a sense of belonging
- Enjoying the care-free joy of being a kid

As a parent of campers myself, I understand and appreciate how challenging it can be to entrust someone else with the care of your child. At YMCA Camp Timbers, our campers’ care and safety has always been our top priority. As a camp that is accredited by the American Camp Association, we are committed to the highest levels of quality, care, and safety in all that we do.

I would be happy to speak with you more about camp and to help answer your questions. You are welcome to contact me directly at 989-345-2630 or BAMiller@SaginawYMCA.org. It would be a privilege to partner with you to make this summer a fun, meaningful, and memorable one for your camper.

Sincerely,

Brian Miller
Executive Director

We strive to be a camp community that is for all, where all campers are welcomed, valued, respected, and inspired. If you have questions about whether YMCA Camp Timbers is the right fit for your child due to any special consideration, please contact us.

CONNECT

We help to build quality connections for our campers. Our counselors set out to make sure every camper knows camp is a place they belong, feel accepted, and can be themselves.

Camp connects campers with face-to-face friends, the inspiration of nature, and our supportive and encouraging counselors. These are the friends and role models they will remember long after camp.

Small Group Communities

Up to 12 campers and 2 counselors per cabin, grouped by age and gender

High-Caliber Staff

Selected for their character, experience, and ability to be role models for campers, with over 90 hours of training prior to camp, including First Aid and CPR certification

"It's a beautiful camp with quality staff who are creative at ensuring that all campers are included and make connections with other children."

GROW

We facilitate meaningful individual growth for campers. Camp is fun. We also want a camp experience to make a lasting positive impact.

This growth is fostered by inspirational, value-based morning messages, small group reflections throughout the day, intentional evening cabin reflections, and opportunities to practice 21st-century skills – collaboration, teamwork, conflict resolution, problem solving, critical thinking, creativity, and stewardship.

CAMP VILLAGES

We intentionally organize our camp program and campers into 3 age-based villages: CRUISERS, SAWYERS, and TOPPERS.

This provides a progressive program in which **the camp experience grows with your camper.**

Camp is structured based on the unique needs and readiness levels of these villages, such as:

- Opportunities for camper choice
- Activity-based skill development
- Rigor and complexity of challenges
- Timing and format of bedtime routines
- Counselor prompts for camper care

In this way, **every year a camper returns they have opportunities for new adventures.**

Each village shares daily waterfront and hangtime schedules, allowing for even greater connections between similar-age campers.

CAMP FEATURES

LODGING

Equipped with built-in bunks, heat, and electricity, each cabin is a welcoming community for campers. Cabins are centrally located and have easy access to one of our recently renovated bathhouse facilities. The small-group cabin community becomes your child's "home away from home," with 8-12 campers and their counselors in each cabin.

DINING

Our Woodland Lodge features healthy, family-style meals for campers to enjoy. Not only is there great food, but also enough space to eat outdoors in the fresh air under our Outdoor Dining Pavilion (NEW in 2024). Our food service team can accommodate most special dietary needs, please contact us to discuss any special considerations.

HEALTH and MEDICAL

Trained health officers live on site during each of our camp sessions. They are available 24/7 to assist with any medical care that may be required and medication management. A physician reviews our health policy standing orders and provides as-needed virtual consultations.

MORNING WATCH and EVENING REFLECTION

Each morning before breakfast campers gather for Morning Watch, an inspirational, value-based message. Campers end the day with a cabin-based reflection facilitated by their counselors. We focus on our core values of caring, honesty, respect, and responsibility and encourage stewardship, resiliency, gratitude, and empathy in our stories and skits.

SAFETY AND SUPERVISION

Camper safety is our top priority, and campers are always under the supervision of our caring staff. Our "Rule of 3" ensures campers are never alone or in 1:1 situations, and the counselors are present during all parts of the day to facilitate friendship making and safe, fun, teachable moments.

"So impressed with the activities, organization, and safety protocols... while providing such a FUN experience."

PROJECT 192

PROGRAM DESCRIPTIONS

Mini Camp: Ages 6–10

For three days and two nights, our youngest campers explore the adventures of overnight camp and get used to the experience of being away from home. This session offers both a shorter program duration and a higher level of staff support to help make these new campers' first adventure with us as successful as possible.

Traditional Overnight Camp: Ages 7–14

MOST POPULAR

This is our classic overnight camp experience, and the most popular program we offer! For 6 days and 5 nights, campers gain remarkable experiences, quality connections, and meaningful growth as part of our small-group, cabin-based communities.

Herter Band Camp: Grades 6th–10th

This program, a partnership with the Herter Music Center, offers campers the unique opportunity to advance their musical ability, prepare a concert performance, and experience many of the activities and adventures YMCA Camp Timbers has to offer. Campers must have completed at least one year of school band to participate.

Leader-in-Training (LIT): Ages 14–16

The first step in our progressive teen leadership program. Campers experience a combination of daily leadership-based lessons and traditional camp activities. Lessons focus on small-group facilitation skills, leadership styles, communication skills, and a partial-day service project at camp.

Counselor-in-Training (CIT): Ages 16–17

The capstone of our camper experience and the second stage of our progressive teen leadership program is the CIT program. Campers have an immersive leadership experience, including lessons in child development, coaching and encouraging others, and small-group leadership skills. CITs spend the week shadowing counselors, mentoring younger campers, and meeting to further learn and reflect on their experience. This program includes a day trip to canoe the AuSable River, a CIT-tradition. Campers who successfully complete the CIT program are invited to return to volunteer for any of the remaining camp sessions as space allows.

ADVENTURE TRIPS

Adventure trips are the perfect option for older campers interested in exploring some of Michigan's most scenic locations. Trips utilize rustic backcountry campsites with limited access to restrooms and spend each night in shared backpacking tents. All trips begin and end at camp, are led by camp staff with backpacking experience, and include all backpacking-related gear.

Backpacking South Manitou Island: Ages 12–13

Participants spend 4 days and 3 nights on South Manitou Island in Lake Michigan, using the same rustic campsite each night. Day hike destinations include towering sand dunes, old-growth forests, remnants of a ghost town, and a lighthouse. Includes all meals, equipment, ferry, and bus transportation from camp.

Backpacking North Manitou Island: Ages 13–14

The larger and wilder of the Manitou Islands, North Manitou Island gives participants the opportunity to expand their backpacking skills. Participants will carry all gear each day, setting up different campsites each night as they circle the island. Includes all meals, equipment, ferry, and bus transportation from camp.

Backpacking the Pictured Rocks: Ages 14–15

Participants hike the famous Pictured Rocks National Lakeshore, building confidence, friendships, and lifelong memories along the way. Experienced trip leaders will guide participants as they hike approximately 30 miles along Lake Superior, gaining the sense of empowerment that comes from carrying all they need on their backs.

Backpacking Grand Island: Ages 15–17

This capstone trip is located on Grand Island, a National Recreation Area in Lake Superior – across from the Pictured Rocks Lakeshore. Participants hike much of the island's 30-mile perimeter loop, enjoying rustic beaches, sandstone cliffs, inland lakes, cultural sites, and more. This trip is recommended only for those with past backpacking experience due to hiking mileage, rustic setting, and remote access.
